

*Fellowship Baptist Church, a Southern Baptist Church, is seeking a man called by God to be the pastor of His church in Fairfield, Pennsylvania. Fairfield is a small community just ten miles west of Gettysburg. This position would begin as a bi-vocational pastor with hopes of soon becoming a full-time pastor. We are looking for a preacher of God's Word who believes the Bible is the undeniable truth of God. Seminary training is preferable but not an absolute requirement. The pastor we are seeking must preach the message on Sunday morning, conduct Bible Study on Wednesday evening, and be available for visitation.*
